Janine Fisher is an accomplished insurance professional with over 13 years of experience in the insurance industry, having worked with some of the largest multinational insurance carriers and brokerages across the English-speaking Caribbean and Canada. She began her career immediately after college as a junior management trainee for a large regional insurance carrier. There, she gained comprehensive exposure to all facets of the insurance business, including underwriting, claims management, risk assessment, finance and client relations. This hands-on experience laid the foundation for a successful career marked by leadership and a deep understanding of both regional and global insurance landscapes.

Over the years, Janine Fisher has held progressively senior roles, from junior management to strategic leadership positions. She has developed a reputation for her ability to mentor junior team members, drive operational efficiency, and design tailored risk management solutions for her clients. With in-depth knowledge of the insurance markets in both the Caribbean and Canada, Janine Fisher has successfully bridged the gap between diverse regulatory environments and client expectations, positioning herself as a trusted advisor to multinational companies and high-net-worth individuals. She is currently employed as a Private Client Services Account Executive with Hub International Insurance Brokers.

In addition to her professional expertise, Janine Fisher is an active volunteer and civic leader, dedicated to giving back to the communities that have shaped her career. She currently volunteers for various non-profits in Alberta that are focused on grassroots development and social causes. She currently serves as the Internal Audit Committee Chair for the Jamaican Canadian Association of Alberta and recently, successfully completed a 2-year term as its Executive Treasurer. Janine Fisher is deeply passionate about supporting initiatives that promote education, economic empowerment, and sustainable community development across various sectors.

Janine Fisher is a licensed insurance professional and is currently pursuing the Chartered Insurance Advisor (CAIB) designation, further demonstrating her commitment to professional growth and staying at the forefront of the insurance industry. She holds a degree in Accounting from The University of the West Indies and her continued involvement in various professional development programs ensures she remains well-versed in industry trends and best practices.

With a wealth of experience in both the corporate world and community-focused initiatives, Janine Fisher brings a strong blend of strategic insight, operational expertise, and dedication to fostering ethical business practices.
